Averys Fine White Burgundy

Abv 13%

Nicolas is the son of the late Gerard Potel, former owner of the renowned Domaine de la Pousse d'Or. Growing up on this revered estate with a father who was well-loved by fellow winemakers has given Nicolas an amazing insight into Burgundy, as well as an enviable list of contacts. As a result, he gets access to parcels of grapes and wines that others could only dream of. Averys White Burgundy 2012 comes from vineyards around the prestigious villages of Meursault, Chassagne-Montrachet and Saint-Romain and offers a taste of fine Burgundy above and beyond a Bourgogne Blanc. The new vintage combines soft apple fruits with a crisp mineral freshness.

Marques de Solariejo Reserva Rioja

Abv 13.5%

Marques de Solariejo Reserva is made by Bodegas Muriel in the Rioja Alavesa region. The delicious 2008 vintage has been aged in French and American oak barrels for two years, with a further three years maturing in bottle. The result is a complex, creamy red with juicy cherry and ripe plum fruits and a lick of chocolatey vanilla oak. What we love about this Reserva is that although it has those classic Rioja notes of tobacco, leather and spice, its relative youth means that it also has an abundance of pure, fresh fruits.
