

Please come to our

Exhibition

of locally knitted, sewn and crochet panels with messages and artistry expressing concerns for climate change and the environment. These panels, together with hundreds of others from around the country and beyond, are part of the Stitches for Survival movement. They will be displayed in Glasgow during the Climate Conference (Cop26) in November, urging negotiators and delegates to take action.

Fri 22nd, Sat 23rd and Sun 24th October.

Holy Trinity Church, Doynton
