

DOYNTON SEED SWAP

Beginning Saturday 13TH February all day for 2 weeks.

This will take place in the porch of **Holy Trinity Church** in **Doynton**, and is open to everybody even if you don't have any seed. In your own time over this period you can bring any seeds to swap (in labelled, dated packets) and browse through the boxes of seeds of varieties of perennials, annuals, wild flowers, vegetables and some heritage seed, and take what you need.

You can swap seeds that are:

- Partially used packets
- Excess packets
- Unwanted varieties
- Self saved seeds
- Magazine packets
- Out of date seeds

Please observe Covid19 rules by social distancing, wearing a face mask and using the hand sanitiser provided. If you wish you can make a small donation in the box provided, which will go towards the local food bank.
