

How would YOU improve transport in our region?

Consultation is now open on the Draft Joint Local Transport Plan 4

This plan sets out the approach to improve transport between now and 2036 in the West of England and proposes ambitious ways to fundamentally change the way we travel.

We want to hear your thoughts on our ideas for transport. You can tell us what you think by:

1

visiting our consultation webpage

2

trying our transport priority tool

3

filling in our online questionnaire

Consultation closes 20 March 2019
